ITALIAN KITCHEN

Let us take you on a journey through the heartland of Italy, where Roman cuisine is blessed with a modern touch.

Inspired by his grandmother's passion for cooking, Chef **Stefano La Penna** began his culinary journey at Niko Romito's academic school.

With experience at renowned restaurants in Castel di Sangro, Rome, and Milan, he draws on his rich experiences to create an authentic and comforting menu with a creative twist.

This culinary tour begins in the kitchen, with our pastas and our traditional pizzas. Our Josper grill burns charcoal to bring out all the flavours of our succulent meats.

Where this journey takes you is a matter for your imagination, as you settle into the flavours, textures and colours of the countryside around Rome.

Buon appetito e buon viaggio!
